

# Brockton C.E. Primary School's Bulletin

It's been a wonderful first fortnight. It's so lovely to see the children back together and the different classes mixing! Although we have some very tired children they have been brilliant at settling back into the school routine.

We will be holding a Macmillan coffee morning on the field next week, we hope the sun will shine for us. We would be extremely grateful for any cake donations to be delivered to school on Thursday morning - look out for a letter

A huge thank you to the Wheatlands Care home in Much Wenlock for delivering a hamper to the staff. Such a treat and we are feeling lucky!

Please accept our apologies, due to space restrictions and current Covid guidance, parents will not be able to attend our Harvest Festival.

FOBS are looking forward to their first meeting (date to be arranged) and welcoming new parents.

After many years we are saying farewell to two much loved members of staff. Michele Powell-Bevan and Jane Carroll are moving on and we will miss them very much. If you would like to add to our collection please visit the school office (not on a Wednesday!) Thank you so much.

Have a nice weekend!

## 2021 - 2022 Term Dates

## Stars of the Week

### Week 1

#### **Class 1**

All Reception children

Georgie Howell

Torin Conmy

Emily Craig

#### **Class 2**

William Furniss

Beth Castle

#### **Class 3**

Finnley Mantle

Charlie Kattenhorn

Alma Jesshope

### Week 2

#### **Class 1**

Frankie Priest

Edith Hinton

#### **Class 2**

Horatio Diamond

Soraya Sutton

#### **Class 3**

Teigan Ward

Daniel Buxey

### **Class 1**

The children have settled in beautifully. We have been writing poems based on the 'Sound Collector' by Roger McGough. In maths we have been working on counting patterns (2, 5 and 10) In science we have been labelling the body, using our senses, identifying parents and their offspring and learning about a healthy diet.

### **Class 2**

Class 2 have had a fabulous fortnight! In literacy we have been writing Autumn poems. In maths we have been learning about place value and counting patterns (2, 3, 5 and 10) In our topic work we have been learning about the history of industrialisation and looking at different inventions.

### **Class 3**

Class 3 have been making such a noise this week! As part of their World War 2 topic an air raid siren has been disturbing Brockton's peace and quiet. In literacy the children have carried out work based on 'Why the Whales Came'. In maths the children have been carrying out formal and informal methods of addition. In science the children have been making electrical circuits.

Ammonites

Brachiopods

Crinoids

Trilobites
