

**21st March 2025**

Well done and thank you to our School Council for organising another successful Comic Relief Day on Friday and for all of the generous cake donations.

It has been good to see so many pupils taking part in our new tennis club on Wednesdays after school to 4:30pm. Please remember to book a place for your child in advance on Schoolmoney - the club is open to everyone from reception to Year 6.

You should have received your child's spring term report and appointment time for parent meetings on Thursday of next week. Please contact the school office if you would still like to make an appointment.

We have been pleased to welcome Mrs Legg to school as our new Catering Assistant and Clerical Assistant. Mrs Legg will be working in the office every day from 8:45-11am for the summer term, as well as preparing and serving our lovely school meals and supervising lunchtime play - a lady of many talents!

# Red Kites

**In literacy, we have been researching previous Mars Rovers discussed in our class text, "Curiosity" and putting them on a timeline. We had no idea there have been so many rovers sent and that some are still there. We have used our previous learning in science to support our knowledge with this book.**

**We are enjoying our Light topic in science, where we have investigated which materials are reflective and how light travels.**

**On Tuesday, Y3/4 enjoyed a visit from firefighter Will Cartwright, who talked about fire safety in the home. We enjoyed putting our knowledge to the test with a quiz at the end.**

**We have enjoyed discussing our work with the Edge Schools Federation governors who have been visiting. I am so pleased at the positive feedback I had about the way Red Kites spoke so sensibly about their work. This was a very proud moment to be their teacher. Well done Red Kites!**

# Wrens Nursery

**We have been thinking about springtime and looking out for buds and blossom. We have really enjoyed the warmer weather and have been having a go at planting seeds and flowers.**
