

**2nd May 2025**

Thank you so much to everyone who has donated items for our new "playground play" project which Mrs Lockley has organised - it is great to see how much the children are enjoying all of the new activities together.

Please could I again remind everyone that PE kits should be in school every day - we do take opportunities when we can to get outside and these may sometimes not be on timetabled PE days. Children can easily get changed in school. Thank you for your assistance.

Don't forget FOBS movie night coming up on May 22nd. We are grateful for all of the work that FOBS does both to fundraise and provide events and activities in school - please support them if you can.

**Well done to all of our 'FAB'ulous Year 6 pupils here enjoying a tasty frozen treat at the end of their SATs exams. We are proud of all of you!**

# Thank You

**The new garden project in Robins class is really starting to take shape! Thank you to Alex and Lauren Bjorn, Richard Pope, Rhys and Emma Jones, Geoff Priest, and Tom James for all of their hard work in creating our raised bed area. Particular thanks to Heather Ireland and Shropshire Organic Gardeners for providing grant funding and materials to enable the project to go ahead. We are all looking forward to getting everything planted up and harvesting this year!**

**Thank you so much to FOBS for the lovely new decor in Red Kites classroom, especially Kim Jones for sourcing the material, Richard Pope for putting the pole up and Carol Wall and Daisy Blount for turning up the hem and making floor cushions**

# Red Kites

**What a busy week. Well done to all the Year 6s for the mature and sensible way they worked their way through SATs Week. We are all very proud of you! They enjoyed some down time with the space hoppers and were treated to a lolly yesterday.**

**Whilst the Y6s were undertaking SATs, work in Red Kites carried on as normal. We are enjoying our class text 'The Baker by the Sea' and this week we have been writing poems about the sights and sounds by the sea.**

**In Science, we have been researching the parts of a plant and its functions. This took us outside to see how many flowers we have in our grounds.**

**Please make sure your child has their PE kit in every day as these days may change at short notice and we may need to go outside for other areas of the curriculum.**

**PE Days Monday and Tuesday.**

**Also, please can you make sure your child brings a labelled water bottle in with them each day as the weather is getting warmer.**

**Thank you.**

## Rock Stories

### From before the Dinosaurs

Take a walk as you learn what ancient rocks tell us about Shropshire's history. Go back to when there was a chain of volcanos in the sea and make your own. Do an experiment to see how a rock was formed. Look at fossils and complete a puzzle that shows what the continents were like at the start of the dinosaurs.
