Well done to the Brockton Dance team, your self choreographed performance was brilliant, and you were ably supported by confident backing singers. Watched by approximately 200 people you all deserve to feel very proud of yourselves! Fantastic effort.

To the parents who helped prepare the dancers helping them look fabulous—  
Mrs Pullen-Lockley, Mrs Allsop & Mrs Bateman

Wet and windy possibly sums up last weekend but Class One have been very descriptive and informative writing their weather reports this week. In maths the children have been working on fractions, dividing objects and amounts into 1/2, 1/3 and 1/4's. The batik kettle has been out in Class One and with the addition on LOADS of beads the children have made beautiful Valentines cards.

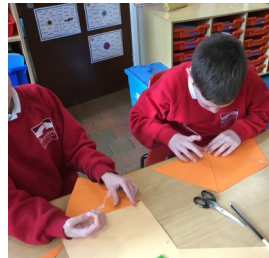

Please remember to bring in sponsorship money from the Athlete's visit after half term. Thanks for your support

Class two have been working hard with methods for division this week, testing out 'chunking' and short division. Keep working on your times tables, they really do help.

As part of their topic the children have been building pyramids, using maths magic and looking at Egyptian art to find out about living in the past.

Firmly in the present, there has been some fabulous descriptive writing going on to create poems about winter.

## CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.

In science this week Class 3 have built upon previous work by separating a mixture of sand and salt. In maths the very relevant subject of measuring distance and comparing units from mm to km has challenged the children. The class have also been concentrating on some discursive writing furthering their consideration of the Trojan horse story.

We are listening to parent's concerns regarding collections from ASC and are working closely with Shropshire Council to install a hard wired intercom as soon as possible. Thanks for your patience
