Opt3

Class Two have been continuing their work on fractions including adding and subtracting fractions. The class have turned into information agents, writing a page of a non-fiction book about Ancient Egypt using noun phrases.

Further topic work has included Mummifying a tomato and writing instructions to mummify a body! These creative characters have also been painting their amulets, looking great Class Two!

Class One have been investigating the properties of 2D and 3D shapes. Their research has continued into famous buildings around the world with some fabulous Gherkin and Eiffel Tower pictures by Reception children.

The endless tasks of reading and comprehension have been a particular focus this week. Never underestimate the benefit of sharing a book – whatever your child's abilities, books are brilliant brain boosters!

Class Three have been mixing, and separating oil and water during their science work this week. They have also been busy with an informative writing project and considering capacity during their maths work too. The skills of the oldest children are so often called on during the week to help and support the younger children, we are proud to see such shining examples of caring behaviour in school.

Planned trips and events are predominantly continuing as normal, anything that is adversely affected by Covid-19 we will let you know as early as possible.

Any potential Brockton to Aberdovey cyclists remember its not too late to begin training. Dust off your helmet or

begin your cycling adventure with us!

### FOPS 100 Club

Seeking new members and subscriptions from existing members please.

£12 per number, buy as many as you'd like & increase your chances!

### Easter Service

It is with regret that we feel we have to cancel this year's Easter service. This event regularly attracts older members of our school community who are at increased risk of serious complications should they contract the Covid 19 virus. This is simply too great a risk.

### Easter Party

Planned for Wednesday 1st April 2020 in the afternoon. Please contact school office or Gayle Capps if you're able to help organise and run activities on the day. Donations of Easter Eggs / Crème Eggs gratefully received into the school office. Thanks for your support.

Children are invited to decorate an Easter bonnet and make a boat to enter into the boat race on the day.

### Mother Day Lunch

Should you decide that you do not wish to attend please let school know as soon as possible. Thanks

## WELL DONE CERTIFICATES

Zach—Super speller, knows all the Y1 common exception words

Frankie—Excellent at naming and describing 2D shapes

Aine—sunny, positive attitude and trying her best in all subjects

Leon—trying his best in all subjects and improving his hand writing

Wojetech—great work in maths, concentration and being polite

Kate—always working to best of ability & achieving great results

### Football Club

Mr Yorke has been forced to cancel football club on Wednesday 18th March whilst he keeps his boys at home. Thanks for your understanding.

Mr Lockley offers thanks to Mrs Castle for covering in the school whilst Mrs Powell-Bevan has been away.

We hope to welcome Mrs PB back very soon
