

Brockton C.E. Primary School's Bulletin

Friday 12th November

Dear Parents

Thank you to the Shropshire music service for coming into school and performing. The band was incredible and we all managed to join in with the 'Wellerman.'

On Armistice Day Reverend Matthew came in to talk to us about this important day. We all carried out our silence at 11am.

Bronze Ambassadors and Activators have received their training from Mrs Smith and Mrs Dillon. They will be leading events throughout the year. The first event is a Santa Run at the end of term.

We do apologise as the Christmas trip to see the Pantomime at Theatre Severn has been cancelled. This is due to the rise in corona virus cases. We will be showing the children the online pantomime 'Cinderella' instead.

For Children in Need we will be having a non-uniform day. The children need to bring in a pound for this. We will also be having a cake sale. The cakes will be 50p. Any cakes that are left will be sold after school. Please could you send in cakes to help us raise money for this important cause.

We look forward to chatting to you all next week about your wonderful children! They have all settled in so well.

Class 1

Class 1 have been reading the book Ruby's worry. Reception have been amazing at sharing their ideas and hearing sounds in words, they really want to have a go at writing! The older children have written their own version of the story. All children are trying very hard. In maths we have been learning about measures - we have been looking at length, weight, capacity and time. The children have produced the most wonderful self-portraits in art. They listened so carefully and practised drawing the different facial features. We have some very long eyelashes and interesting noses!

Class 2

Class 2 have been looking at Street Child by Berlie Doherty. We have been writing about Jim's escape from the workhouse. In maths we have been learning about measures and money. Mrs Cowper even stole her sons' money box to estimate and count his savings. We have also been learning about recycling and plastic pollution. It is important to look after our planet. In P.E the children have learned to play handball. They are having lots of fun.

Class 3

The children have been studying the Battle of Britain and have been examining evidence, including speeches by Winston Churchill, Adolf Hitler and German invasion plans. In English the children have been writing formal letters and have also experimented with story endings.

In science they have started their light topic investigating how to change the size of a shadow. The children have been working out subtraction problems and looking at number sequences in powers of ten.
