

# Brockton C.E. Primary School's Bulletin

Friday 26th November

Dear Parents

We would like to say thank you to Abigail Rymer for organising the Christmas card fundraiser for school. Please remember to bring in your order as the designs looked fabulous.

We were asked to decorate a tree for the Tree Festival in Much Wenlock Church. We have had a busy week covering balloons with wool soaked in glue, then rolling them in glitter. As you can imagine our school is rather sparkly at the moment (sorry Sonia). The finished baubles look wonderful and they are now hanging on the tree in the church. We would like to thank Mrs Jenny Craig for giving us a tree to help us with this project.

Thank you for your cake donations for Children in Need. We raised £113.50 from selling the cakes and for our non-uniform day. That is an excellent amount for a small school.

Mrs Claes our wonderful music teacher is leaving. She has been with us for many years and is now retiring. Thank you for your kindness, calmness and patience. Also very robust eardrums!

We have a Grounds Day next week. The weather is cold and wet at the moment, please ensure children have their waterproofs, warm boots and clothes. We are already looking forward to our marshmallows.

We hope your weekend isn't too wet and cold.

Brockton Staff

## 2021 - 2022 Term Dates

**Friday 26th - Sunday 28th November**

Christmas Tree Festival Much Wenlock

**Friday 10th December**

Grounds Day - Warm, waterproof clothes, boots and waterproofs.

Children back in school

## Stars of the Week

### Class 1

Rose Jacques

Arabella Daborn

### Class 2

Beth Castle

Willum Martin

### Class 3

Finn Mantle

Joe Dillon

### Class 1

Rowan Leavesley

Tom Madeley

### Class 2

Georgie Howell

Torin Conmy

### Class 3

Seth Allsop

Beatrix Rymer

Leon Hallmann

### Teaching Assistant Awards

**Mrs Williams**

Leon Hallmann  
Logan Jacques

**Mrs Wright**

Willum Martin  
Albert Morris

**Miss Martin**

Ewan Castle  
Frankie Hayward

**Charlotte**

Sienna Bateman

### Class 1

Class 1 have been looking at non-fiction books about puppets. We have enjoyed looking at all the different types of puppets in class. In maths we have been learning about position and direction. The Reception children have been acting out stories, making models and explaining the position of objects in their models. We have made the most shiny baubles for the Christmas tree that is now in Much Wenlock Church. We were all covered in glue and glitter, but they look amazing. We have also started learning the songs for our Nativity. A little bit more practise is still needed I think.

### Class 2

Class 2 have been planning and writing independent stories based on their class book 'Street Child'. They have tried really hard and produced some wonderful pieces of writing. In maths they have been investigating the properties of 2D and 3D shapes. They have also made 3D shapes using nets. The children have been using 'Scratch Junior' in ICT which is a coding program. Hopefully the children can explain. Class 2 have also been covered in glue and glitter making beautiful baubles for the tree.

### Class 3

The children have been enjoying 'The Boy in the Striped Pyjamas'. They have planned and produced a piece of creative writing based on the book. In maths they have been investigating equivalent fractions and simplifying fractions. In science the children have been investigating periscopes and the angle of incidence and reflection. In P.E the children have been developing invasion tactics and playing mind games in rugby. Their Parkour P.E lessons are amazing!

Ammonites

Brachiopods

Crinoids

Trilobites
