## Council funded extension of the Community Room

Work has now started on the extension to the Community Room. Whilst plans have been made to keep disruption to a minimum you may need to be patient and please be mindful of the Brockton residents driveway access in the vicinity of the school. As a reminder, the drop off and pick up point for Breakfast and After school club is at the field end double doors in the hall. We thank you for your patience.

## IN THE PICTURE

### CLASS 1

Class 1 have been busy designing and making their own 'transport' models as part of our Design and Technology week...I wonder what Leon is planning to make?!

### CLASS 2

Also, in Design and Technology, Class 2 have been looking at how packaging is used in everyday life. They are producing their own 'chocolate box'...watch this space!

### CLASS 3

Class 3 have been designing a book cover for their class reader 'Skellig' by David Almond. Some fabulous designs so far...they will go on to write the blurb next. Well done all.

A reminder that children should bring their PE kits to school every Monday. Please ensure all KS2 children have appropriate clothing for the time of year as they will be outside. Thank you.
