Fortnightly Message from

Mrs Hunt

Hello everyone,

It is hard to believe we are almost at the end of the spring term already! It seems to have passed in a flash.

Thank you to everyone who attended parent meetings this week, I hope that you found this a useful opportunity to discuss your child's progress in addition to receiving the termly report. We noticed that attendance at the parent meetings was much lower this time and would welcome your feedback on any particular reasons for this – day / time / found the information on the written report was sufficient? Please do let us know and we can adjust what we offer accordingly.

Well done to all of our Class 3 pupils who took part in last week's rugby tournament. All played well, enjoyed themselves and were a credit to Brockton CE School. It has been great to see the progress which has been made by this pupil-led club and also the increase of pupil-led clubs on offer, including netball, football and table tennis involving pupils across the school.

World Book Day seems a long time ago now but it was fantastic to see all of the creative outfits and see and hear all of our pupils enjoying a celebration of reading throughout the school – well done, everyone!

Our Christian Values

This half term Christian value focus is:

Justice

'Learn to do right. Seek justice.'

Isaiah 1.17

Justice cannot be for one side alone but must be for both.

(Eleanor Roosevelt)

Earth provides enough to satisfy every man's greed.

(Mahatma Gandhi)

Do you think about what is fair for others as well as what is fair for yourself?

If you want peace, work for justice.

Overcoming poverty is not a gesture of charity; it is an act of justice.

(Nelson Mandela)

(Pope Paul VI)

Why do you think Pope Paul VI believed justice was essential to having peace?

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

Young people

Shropshire Family Information Service (FIS) has developed this on-line directory featuring local and national organisations and services that exist to support children, young people and families.

The directory contains information on groups which can offer advice and support on some of the issues or concerns any family may encounter. It can also help you find activities in your local area for children and young people to take part in where they can learn new skills and make new friends.

If you are part of a group or service that isn't yet included in the service directory contact Shropshire Family Information Service to add your details free of charge.

What have nursery been upto...

We have continued a topic on toys over the last two weeks. We have really enjoyed playing with the bee-bots and have had some lovely 'show and tell' sessions with our favourite toys from home. We have enjoyed our Spring nature table and loved hanging the colourful eggs on the Easter tree.

We are looking forward to our 'stay and play' next Wednesday afternoon and will be making Easter cakes for our visitors.
