

School Uniform Policy

Introduction

It is our school's policy that all children are encouraged to wear uniform when attending school or when participating in school organised events.

Aims and Objectives

The policy for school uniform is based on the belief that a common uniform:

- Promotes a sense of pride in the school
- Engenders a sense of community and belonging to the school
- Is practical and smart
- Helps children to feel equal to their peers in terms of appearance
- Is regarded as suitable wear for school and is considered by parents as good value for money
- Is designed with health and safety in mind

Our uniform consists of:

- The governors will consider, with the headteacher, any requests from parents for individual children to have special dispensation, either for religious or medical reasons, with regard to school uniform;
- Governors will ensure, through the headteacher, that school uniform prices remain competitive;
